Dear Friend,

It is my privilege to recommend God's Way Services, the counseling ministry of Dr. Paul McLaughlin. Paul joined my pastoral staff as a counselor. He has been trained to offer Biblical counseling to people in multiple areas of conflict and crisis. The reports I received back from those Paul counseled were always positive and encouraging.

May I encourage you to take advantage of the ministry and counseling of Dr. Paul McLaughlin.

For Him,

Dr. Mark Campbell
Executive Director
