Dear Pastor,

As a Missionary Counselor with R. O. M. A. , and the Founder and Director of God's Way Services, I would like to personally and professionally offer my services to you and your congregation.

Professional Pastoral Christian Counseling can be quite expensive. For example my fee to non-church members is \$50.00 per person for a 50 minute session. For married couples my fee is \$75.00 per session. In addition to a counseling fee is a mandatory Temperament Analysis Profile Test (Arno Profile System Test) that is required! This is a one time expense of \$30.00 to each counselee, engaging my services. This is presented prior to or at the first session, and before counseling can continue into the second session. This needs to be completed for clinical reasons along with the counseling format that I use as a Licensed Clinical Pastoral Counselor and Therapist through the National Christian Counselors Association.

As a church, if you would consider to invite to come, and decide to support me as a Missionary Counselor through R. O. M. A. Outreach Missions on a monthly basis, then I would personally offer my services to your church members on a sliding scale that is appropriate! The A. P. S. / T. A. P. Would still remain the same at \$30.00.

Pastor, prayerfully consider the services that are being presented to you. You as the pastor already have enough to invest yourself in, for the high calling of Christ Jesus in your life and ministry. Perhaps this is an answer to one of your prayers, where the demand of your time, and stress load can be reduced. This will enable you to dedicate more of yourself to study, preaching and teaching of God's Word as your church's pastor. I am reminded of Moses and what his father in law spoke to him about in Exodus 18. This is what compels me to submit this letter, for you to read!

Thank you for taking the time to read this letter. If you would like, I would be more than willing to come and share this support/help ministry with you and your church.

His servant,

Dr. Paul E. McLaughlin
